

Flora and Floppy Go to the Dentist

A Columbia Marionette Theater Production....

"Flora and Floppy Go to the Dentist" is a 20-minute interactive puppet show for children ages 3-8. The show is designed to engage and entertain school-age children while teaching them key messages about how to maintain good dental health.

Over 6,900 students have viewed the show since it began in 2008. The performances are designed for large groups of students. The cost of the show is \$225 with an additional fee of \$25 for shows outside the Columbia area.

The theater is currently accepting requests for shows for the 2009-2010 school year.

Flora and Floppy Go to the Dentist

Flora and Floppy go to the Dentist is a 20-minute interactive puppet show for children ages 3-8. The show engages and entertains school-age children while teaching them key messages about how to maintain good dental health.

The show is designed for school groups, Head Start Centers, daycares, and community outreach events. It is an effective way to reach out and educate children about the importance of good dental health.

Interested in reaching out to students in your community?
